

GSSF Pistol Purchase Program

In an effort to better serve our members, we've made some changes to our original Pistol Purchase Program. We have greatly expanded the number of participating dealer locations and GSSF Members may purchase **ONE GLOCK** pistol per year at a discounted price by showing a current membership card to that dealer. **NO CERTIFICATE IS REQUIRED, just your membership card showing current membership in GSSF!** New pricing is also in effect. These changes should reduce the waiting periods involved, allow better access to our participating dealers and eliminate most transfer fees while making the entire process more convenient for our members.

Member Responsibilities

1. Member contacts GLOCK for local dealer information, then calls the dealer to be sure they are participating in the program and that the dealer has the model they want to purchase in stock.
2. Member takes (current) membership card to dealer along with any other required documents. **If you have lost your card, you must contact GSSF to receive a replacement card. New members will need to wait to receive new member packet with membership card.**
3. Member is responsible for any taxes or fees as is required by the local, state, and federal laws.
4. Must meet all local, state and federal laws to purchase a pistol.
5. You may only purchase 1 GLOCK per year.
