190.00 Match Results and Awards

190.10 "Preliminary" or "Raw" scores will be posted on GSSF's website, www.gssfonline.com following the match. This initial posting will not include any prize distribution information. Competitors should check their carbon scoresheet copies against the preliminary raw scores for accuracy. If any apparent discrepancies are found, competitors finding apparent errors should report them to GSSF as soon as possible. The best way to contact GSSF about scoring discrepancies is to via e-mail at gssf@glock.us. The scoring will be reviewed, appropriate corrections made, and corrected preliminary results reposted. Repostings may not take place for several days after discrepancies have been reported. When there have been no further corrections for a reasonable time the prize information will be added, results and awards posted, and awards issued. Any discrepancies found after that time will not be corrected. Hard copies of match results will only be mailed to those match participants who specifically request by mail or fax that a hard copy be sent to them.

190.20 Prize Allocation. There will be two classes of awards. "Performance" awards based upon each individual competitor's winning performance within each Division he or she shoots and "Random" awards based upon the overall size of the match. Random awards will be distributed across the entire match and will not be Division-specific.

The number and types of both "Performance" and "Random" awards will directly coincide with the final number of valid match entries completed within each Subdivision, Division, or the Match, as the

case may be.

190.22 CHECKS ISSUED FOR CASH AWARDS MUST BE CASHED WITHIN SIX MONTHS OF THE DATE OF THE CHECK. THERE WILL BE NO “GRACE PERIOD” ONCE THE SIX MONTH PERIOD HAS EXPIRED. CHECKS NOT CASHED WITHIN THE ALLOTTED TIME WILL BE VOID AND WILL NOT BE REPLACED.

190.24 FIREARMS AWARD, MATCH COMPENSATION, AND RANGE OFFICER FIREARMS CERTIFICATES MUST BE REDEEMED WITHIN ONE YEAR OF THE DATE OF THE MATCH FOR WHICH THEY WERE ISSUED. THERE WILL BE NO “GRACE PERIOD” ONCE THE ONE YEAR PERIOD HAS EXPIRED.

190.25 MatchMeister. The MatchMeister “Performance” award will continue to go to the single best performance among the Civilian, Guardian, Subcompact, Competition, Heavy Metal, or MasterStock divisions by either an Amateur or Master competitor. The prize will be a GLOCK firearms certificate. The MatchMeister award will supersede any other awards within the Division or Subdivision within which the MatchMeister award was awarded. All other awards within that Division or Subdivision will be awarded to the other participants within that Division or Subdivision.

190.30 Special Category Performance Awards. GSSF awards \$75 Special Category Performance cash awards within the Civilian and Guardian divisions. These are awarded to the highest-placing competitors who qualify and clearly indicate their eligibility for such when they register. There is no extra fee required to compete for these awards.

Should a GSSF Match Coordinator's match entry prove to be the 10th, 14th, or 18th entry within a given Division or Subdivision, or is the 10th, 20th, etc. entry in the GLOCK Girls Side Match their entry will not count towards "upgrading" the "Performance" match awards within that Subdivision, Division, or

Side Match. Their entries will be included in the overall count for “Random” award purposes.

190.60 Random Awards. As the GLOCK Girls Side Match has its own stand-alone Random awards per Section 190.40 above GLOCK Girl Side Match entries will not be included in the total of match entries for Random award purposes below.

190.60.5 For all matches 174 net entries or less, a total of one GLOCK Firearm and nineteen (19) GLOCK Field Knives will be awarded at random among the non-GLOCK Girls Side Match entries.

190.60.8 Beginning with the 175th match entry, three cash awards of \$50 or as appropriate, a 2 year GSSF membership extension will be randomly awarded across the entire match for every subsequent ten match entries. For every such \$50/2 year membership extension awarded one less knife award will be awarded. At the 225th match entry and at every 30th match entry thereafter a GLOCK firearms certificate will be awarded at random across the entire match. A number of Random GLOCK Field Knife awards will be issued so that the total number of Random awards equals 20 Random awards per match. The combination of Performance and Random Awards will be awarded as follows, based

upon the final net number of total match entries.

Performance Awards are as detailed in Sections 190.30 and 190.32 plus the following Random Awards:

And continuing in this pattern if a match should exceed this size.

190.60.2 Random firearms awards will be awarded across the board of all non-GLOCK Girls Side Match entries. A Random firearms award will not supersede a Performance firearms award.

190.60.4 Random firearms awards are not subject to "Share the Wealth" rule 190.120.

190.60.6 Random cash awards will be awarded across the board of all non-GLOCK Girls Side Match entries. A random cash award will not supersede a larger Performance award.

190.60.8 Membership Extension in lieu of \$50 Random Cash awards. The \$50 random cash awards will only be awarded to those winning members whose membership expiration dates are more than one year from the match date. For those winning members whose membership expiration dates are less than one year from the match date the member will receive an automatic two-year extension of his or her GSSF membership in lieu of a \$50 random award.

190.70 Firearm Awards. Except as otherwise provided herein, basic no-charge firearm awards are the winner's choice of an available GLOCK (pre-Gen 4 model) G17, 19, 22, 23, 26, 27, 31, 32, 33, 42, or 43 firearm equipped with standard fixed polymer sights. Other GLOCK firearm models are available subject to the winner's payment of the appropriate upgrade fee to GLOCK, Inc. (see Award Firearm Upgrades, 190.75).

190.75 Award Firearm Upgrades. There is no upgrade fee involved if the winner of a firearm chooses any of the available basic pre-Gen 4 models G17, 19, 22, 23, 26, 27, 31, 32, 33, 42 or 43 firearms with fixed polymer sights. If the winner wishes to upgrade their award firearm to another of GLOCK, Inc.'s available models they may do so by paying the applicable award firearm upgrade fee detailed in the voucher the winner receives. All award firearms are subject to availability. Upgrade fees include applicable federal excise taxes and shipping charges, but do not include any applicable state or local taxes levied on upgrade fees.

190.80 Membership Promotion – New Member Drawing. GSSF will award one

firearm award certificate per match as follows. For each new GSSF member who shoots the match a new or existing GSSF member who also shoots the match brings to the match, he or she will receive one entry in the New Member Drawing. New members who bring themselves to the match and who shoot the match are also eligible for this Drawing. GSSF members bringing a new competitor must notify the Match Registrar if they are participating in the Drawing with the new member during Registration hours, at the match. If a current member wishes to “claim” a new member they must do so at Registration in the company of the new member who can verify that the current member did indeed bring him or her to the match. No exceptions. If two new members attend a match together, they can “claim” each other; however they must be present together at registration. No “New Member” may be claimed twice by two other new or current GSSF members. New Member Drawing registration will be closed when registration closes at GSSF matches. No exceptions. GSSF will not accept phone/mailed Membership Drawing entry requests after Registration closes for that given match. For the purposes of this section, “New Member” shall include any GSSF member who joined GSSF within one year prior to the match date, but who has NOT attended any previous outdoor GSSF match during that prior year.

190.120 Master Class Firearms Award Distribution. In order to “share the wealth” of firearms awards among our Master class competitors, any one individual Master-class competitor may win one (1), but only one, “Performance” firearm award per GSSF match. This paragraph shall not be construed as meaning that any one Master, through some combination of first, second, or other place finishes, may be awarded more than one “Performance” firearm award per match. If the Master-rated competitor is the top finisher in more than one division,

he or she will receive the firearm awarded under one of the divisions (at GSSF's sole option) and the next available cash award if any in the other division(s). The "priority" order of such firearms awards will be "MatchMeister", then "MasterStock", then "Unlimited", then "Competition" then "Subcompact" then "Heavy Metal" then "MajorSub" then "Pocket GLOCKS" (Upgraded awards). "Random" firearms awards are not subject to this rule.

190.125 Amateur Class Firearms Award Distribution. Should a priority order be necessary for Amateur firearms awards, the order will be "MatchMeister" if won by an Amateur, "MasterStock" if won by an Amateur, then "Civilian" or "Guardian" as the case may be, then "Unlimited", then "Competition" then "Subcompact" then "Heavy Metal" then "MajorSub" then "Pocket GLOCKS"

190.130 Non-Firearm Awards to Junior Competitors. Due to federal law, firearms may not be awarded to competitors who will not reach their 21st birthday within the GLOCK Professional then-current fiscal/ calendar year. GLOCK Professional's fiscal year always closes as of December 31.

Where permitted by State law it may be possible for a GSSF competitor who has reached the age of 18 but who is less than 21 years of age to transfer his or her legal interest in a firearms award to a parent or legal guardian. If this is the case, contact GSSF to explore the matter.

GSSF no longer issues Bonds. Junior Competitors will receive a lifetime membership and \$100 check in lieu of a GLOCK firearms certificate. If the junior already has a lifetime membership, GSSF will award \$200 cash and eight \$25 vouchers (\$200 value) redeemable for entries to future GSSF matches.

190.140 Non-Firearm awards to competitors residing outside the United States of America or in states with laws or regulations that preclude the award of firearms, or certain firearms, to their residents. In recent years some state governments (Massachusetts in particular) have created or may create laws, regulations, or other conditions whereby GLOCK, Inc. may not deliver GLOCK firearms, or certain models of GLOCK firearms (California, in particular) to winning GSSF members who reside in those states. It is also not practical to award firearms across international borders, the Canadian border in particular. GSSF no longer issues Bonds. In such instances GSSF will award a lifetime membership and \$100 check in lieu of a GLOCK firearms certificate. If the member already has a lifetime membership, GSSF will award \$200 cash and eight (8) \$25 vouchers (\$200 value) redeemable for entries to future GSSF matches. If these awards are not appropriate to a particular award situation GSSF reserves the right to make a suitable alternate award on a case by case basis.

190.150 Firearm Awards to California Residents. Residents of California may only receive GLOCK firearms that have been "approved" by the state. If such approval has expired at the time any such awards are to be issued, GSSF, at its sole option, may issue the above-described Non-Firearm awards in lieu of the normal Firearms Certificate. For the latest information concerning such certifications we suggest you consult the California state internet website at www.caag.state.ca.us. California residents should also be aware that Federally Licensed dealers within California must also be licensed as a "California Firearms Dealer". When submitting an award certificate for redemption in accordance with Section 190.160 below, the Dealer must include both a copy of his Federal Firearms License as well as a copy

of his letter from the California Department of Justice acknowledging his status as a California Firearms Dealer. (CFD).

190.160 Firearm Award Deliveries. Competitors receiving firearm award certificates must redeem their certificates by mail within one year of the Match date for which the award was issued. Please follow the detailed instructions included with the certificate. In order to process award certificates, GLOCK, Inc. must be mailed an acceptable copy of the current Federal Firearms License (FFL) of the FFL holder to whom the competitor wishes the GLOCK firearm award be sent. Award submissions will not be accepted without a current copy of the relevant FFL regardless whether an FFL holder has an FFL or even multiple FFLs on file with GLOCK, Inc. or not. If the FFL holder is hesitant to release a copy of the FFL, complete the award certificate and bring an envelope with appropriate postage to the FFL holder and request that the FFL holder mail the certificate to GLOCK, Inc. along with their FFL copy.

Most Award certificates will be processed within 20 weeks upon their arrival at GLOCK Professional. Please inquire about the status of an award firearm only after the 20-week processing period has lapsed.

GLOCK produces particular models of GLOCK firearms based upon the number of orders that are in hand for that particular model. The less demand there is for a particular model, the longer it will be between production runs for that model. Therefore, the 20-week processing period should be considered as an approximation ONLY and NOT as a commitment as to a specific delivery period. The actual delivery time for any given model may actually be in excess of 20 weeks.

190.170 Taxes. GSSF is required to report to the Internal Revenue Service any competitor

who wins the aggregate cash equivalent of \$600 or more per calendar year in firearms, cash, and/or Non-Firearm awards at GSSF matches. We are also required to provide a 1099 statement to these competitors.
