## **URGENT — REQUIRES IMMEDIATE ACTION**

Reference: Commercial Sales of GLOCK Pistols in Massachusetts

To Whom It May Concern:

As you are already aware from our previous letter dated 30 June, 2004, GLOCK was informed on June 22, 2004 that the Attorney General of the Commonwealth of Massachusetts determined that GLOCK pistols are not in compliance with the Handgun Sales Regulations.

As a measure to make sure that all GLOCK firearms currently in the marketplace are not transferred to Massachusetts consumers, we request your immediate assistance with the following:

- Do not sell any GLOCK firearms currently configured to be "Massachusetts Compliant" in your inventory; these need to be returned immediately to GLOCK, Inc. for full credit. Under no circumstance should you sell these firearms in Massachusetts or elsewhere.
- Provide to GLOCK, Inc. a list of your current inventory of GLOCK model pistols and the stock that may have been sold to other distributors for transfer to Massachusetts or directly to dealers within the State of Massachusetts.
- Forward a list of each recipient of the subject pistols to GLOCK, Inc. so that we may contact these entities to inform them that these pistols must be shipped back directly to GLOCK, Inc. for a full refund.

Your cooperation and expedience is greatly appreciated. Your expenses incurred in addressing this matter will be reimbursed by GLOCK, Inc.

Please feel free to contact GLOCK, Inc. if you have any questions regarding this matter.
